Ref: IG Report on OL

I suggest that you call George Meloon Monday morning to ask that he bring in final form for your signature the proposed response to Colonel White when he comes out on Tuesday. To this end we sent to OL this afternoon the Security input for incorporation into their response. The problem obviously is the 1 December deadline granted as an extension by Colonel White and the holiday next Thursday. I'm afraid if we don't have a "final" paper on Tuesday we won't be able to make the deadline.

*Is in draft form.
Will have it in final
by the end of the week
after reviewing the
recommendation on Tues.*

NOTE FOR: Mr. Bannerman

SUBJECT : Your Response to IG Survey of O/L

Based on our discussion here in the Staff, I have asked O/L to incorporate the attached O/S comments on recommendations 2 through 5 in a consolidated draft report which is the subject of your Tuesday meeting.

By doing this, we hope to save a re-typing here, as the deadline to Colonel White is 1 December (Monday) and next week includes Thanksgiving Day.
